

Diving or Bidding for Treasure

Once again we are gathering auction items and we need your help. The annual auction event, held during the Thursday evening banquet, is always such fun! The “treasure” raised as a result of these efforts will be used by members as scholarships to assist or enable training or conference attendance.

These scholarships are invaluable and really exemplify what WMTA is all about: *“To promote the profession...through education, mutual support, professional recognition, and legislative advocacy.”*

If you know you want to donate but are not sure what to get, here are some item ideas that might also promote your city:

Lodging Accommodations

Dinner Gift Certificates

Event Tickets

Gift baskets donated by your City’s Chamber

Sweatshirts, hats, city/business mementos

Stress relief kits

Surprise us!

Of course, we’d be happy to help you with your shopping. Just give us a call and we can make some arrangements.

ALL items will be greatly appreciated and help to maintain our scholarship fund.

And don’t forget your pocketbook! Great items are yours for the bidding!

DONATION FORM

Donated By: _____

Description: _____

Value: _____
